Ref.: SC/EES/177

Subject: **Detailed activities by UNESCO to implement the donation by Challenge Co.,Ltd**

Dear Mr. Sasaki

In addition to the "Additional Appropriation Letter for Donations" on 30 July "Ref.: Support to UNESCO activities on the promotion of Geo-hazards disaster risk reduction" which is addressed to Challenge Co.,Ltd, please note that the Section on Earth Sciences and Geo-hazards Risk Reduction of UNESCO will perform the following activities to support Challenge Co.,Ltd to promote earthquake early warning system;

1. Introducing Challenge Co.,Ltd to international organizations, government entities, entities related to earthquake early warning systems and individuals who are interested in promoting earthquake early warning systems.
2. Recognize Challenge Co.,Ltd's contribution in promoting earthquake early warning system in different channels, such as in the UNESCO website, brochure, reports and within the different networks on which UNESCO is member on the areas of early warning systems, such as the International Network for Multi-Hazard Early Warning Systems (IN-MHEWS) and the International Platform for Earthquake Early Warning Systems (IP-EEWS).
3. Providing Challenge Co.,Ltd regularly the information of Member States and the international organizations concerning earthquake early warning system.

Please contact Soichiro Yasukawa, Programme Specialist for disaster risk reduction (s.yasukawa@unesco.org, +33(0)1 45 68 18 07) for any information.
We are looking forward to our collaboration.

Yours sincerely,

Soichiro Yasukawa
Programme Specialist
Coordinator for Disaster Risk Reduction and Resilience
